

Travel Fellowship Application Information

Available to:

- Post-doctoral candidates in Toxicology and Pharmacology
- Assistant Professor Level faculty in Toxicology and Pharmacology with approximately one to five years teaching experience.

Fellows will receive:

- Free Registration to Meeting
- \$1,500 to cover airfare, housing, ground transportation and most meals

Senior leaders from domestic and international government regulatory and health agencies, industry, academia, political policymakers and public interest groups will be attending. The Fellow will be able to interact in an informal setting with these scientists and be able to discuss important current toxicologic issues and the impact of these issues on risk assessment.

Application Materials:

- Curriculum vitae and career focus in the areas relevant to the Toxicology Forum (See toxforum.org).
- Letter of recommendation from the Department Chair
- Mail to 1300 Eye Street, N.W. Suite 1010 East Washington, DC 20005 OR Email info@toxforum.org
